How to Download Desktop Wallet Program

NASDAC Crypto Coin
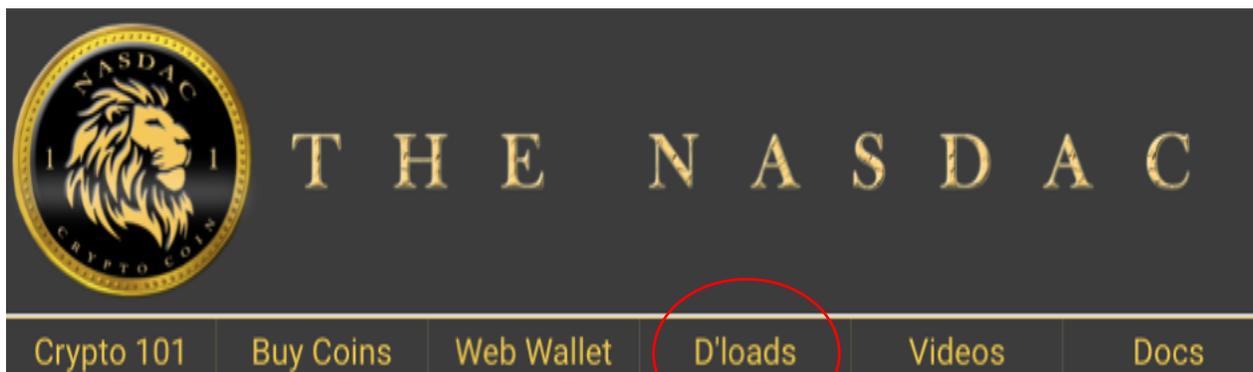

What you will need:

- Desktop or Laptop

1. Go to https://nasdac-cryptocoin.com/ -> Scroll to the bottom of the page and select 'CLICK HERE TO ENTER'

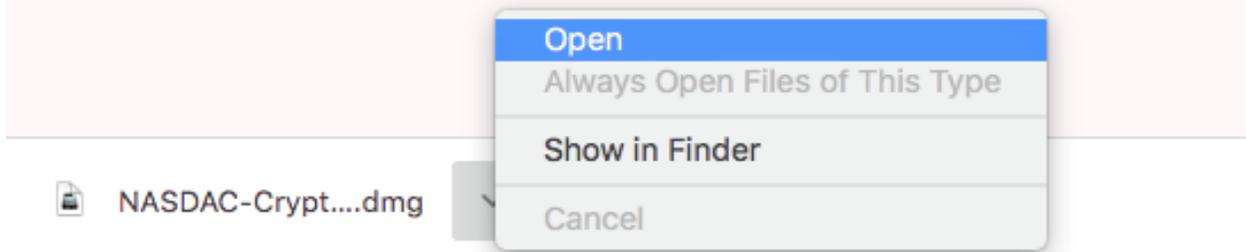

2. Click on 'D'loads' at the top of the page

3. Scroll down to 'Desktop Wallets'
   a. If you are using an Apple computer, select 'MAC Wallet Download' **OR** if you are using a computer that is a non-Apple product (such as Dell, HP, etc.), then select 'PC Wallet Download'

Desktop Wallets

PC Wallet Download 64 Bit

Instructions

Download and Install the NASDAC Coin Wallet that fits your Computer's Operating System.

MAC Wallet Download

Linux Wallet Download 64 Bit

4. A file will begin downloading. Once it has downloaded, click on the file, and select 'Open'

> Open
> Always Open Files of This Type
> Show in Finder
> Cancel

NASDAC-Crypt....dmg

5. Leave open the file that downloaded. You will now create a new folder on your computer so that you can save the downloaded file to your computer. On your computer, go to 'This PC'. Then click on 'Desktop'. You will create a new Desktop folder. You can do so by clicking on the 📁 icon. You will need to name this folder. You can use the name **NASDAC**
6. Once you have finished naming the folder, open up the **NASDAC** folder that you just created
7. Go to the file that you downloaded in Step 4. (It should look like what is shown in the image below)

This PC > Downloads > nasdaccryptocoin-win64(1) >

| Name	Type
📁 nasdaccryptocoin-win64	File folder

8. Take the file that you downloaded in **step 4** and drag it to the new NASDAC folder that you have just created in **step 5**.

9. The file titled 'nasdaccryptocoin-win64' should now be shown in the NASDAC folder that you have created. Be sure to leave this file open. You can exit out of the original file that you downloaded in step 4.
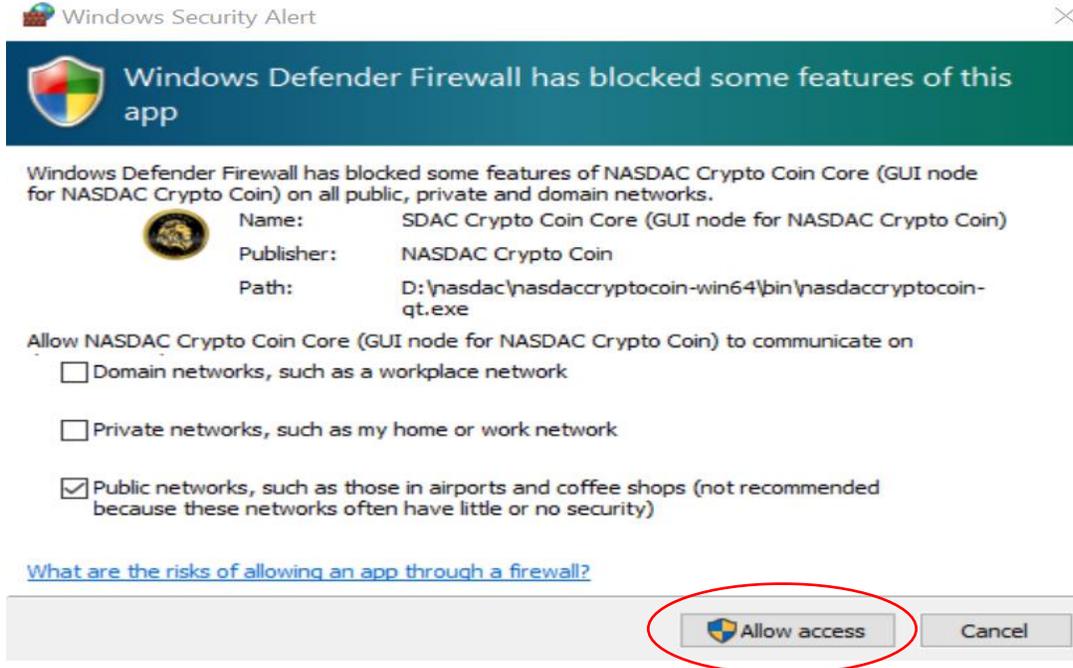

Name	Type
nasdaccryptocoin-win64	File folder

10. Click on the file titled 'nasdaccryptocoin-win64' -> then click on 'bin' -> then click on the file titled '**nasdaccryptocoin-qt**'

| Name	Date modified	Type	Size
nasdaccryptocoin-cli	7/16/2021 10:28 AM	Application	1,933 KB
nasdaccryptocoind	7/16/2021 10:28 AM	Application	9,546 KB
