HOW TO PURCHASE SIMPLE DOLLAR COIN (SDOL)

1. Go to https://nasdac-cryptocoin.com/nasdac_simpledollar/
2. Steps are outlined on page. Follow each steps provided from start to finish
3. Go to purchase your NASDAC Coin

HOW TO PURCHASE NASDAC COIN (NDC)

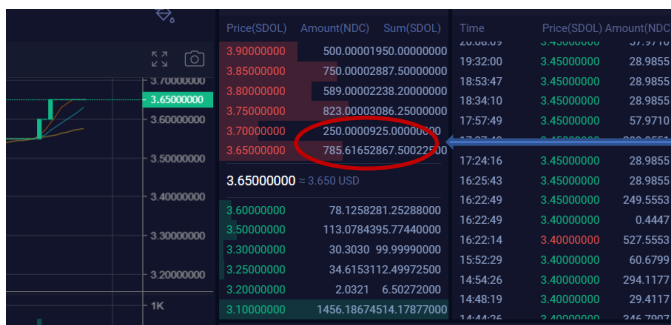

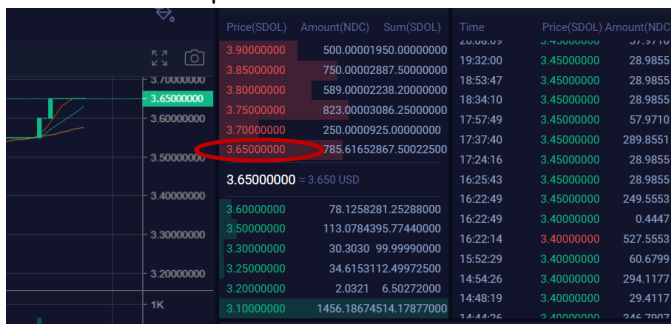

1. Click the trade tap at the top of the page

2. Search for NDC/SDOL by clicking on the drop-down arrow or by typing NDC/SDCL if you do not see the NDC/SDOL coin

3. Click the bottom price in red

Please note

If you want to purchase more than the amount of coins shown at the bottom red price, you should select the price above. Eg. John wants to purchase 1000 coins but there is only 785 coins at 3.65, he has to select the 3.70 price above which has another 250 price. This will now let him purchase his 1000 coins. Don't worry, you will still get the 785 at the 3.65 price while the balance to fill 1000 will be at the 3.70 price

4. Click 100% then click **BUY NDC**
